

PERIODICAL INTERNATIONAL HUMAN RIGHTS MONITORING BULLETIN

01.05.2026 – 01.06.2026

ISSUE: 59

NAME OF THE INSTITUTION / MONITORING PERIOD	01.04.2026-01.05.2026
UN Women	- On 08.05.2026, on the website of UN Women, a press briefing by Moez Doraid, UN Women Regional Director for Arab States regarding the ongoing killing and displacement of women and girls in Lebanon under the ceasefire was published. Source: https://www.unwomen.org/en/news-stories/press-briefing/2026/05/ongoing-killing-and-displacement-of-women-and-girls-in-lebanon-under-a-fragile-ceasefire (Access Date: 15.05.2026) - On 20.05.2026, on the website of the Organization, an article entitled “<i>Facts and figures: Women in sport</i>” was shared with the public. Source: https://www.unwomen.org/en/articles/facts-and-figures/facts-and-figures-women-in-sport (Access Date: 01.06.2026)
Subcommittee on Prevention of Torture (SPT)	- On 28.05.2026, according to the statement published on the SPT’s website, the SPT concluded its first visit to France, carried out from 17 to 23 May 2026, to assess the treatment of people deprived of their liberty and the safeguards in place to protect them.

	Source: https://www.ohchr.org/en/press-releases/2026/05/france-prison-overcrowding-may-amount-inhuman-or-degrading-treatment-un (Access Date: 01.06.2026)
<i>UN International Children's Emergency Fund (UNICEF)</i>	- On 01.05.2026, UNICEF issued a statement outlining that as countries convene for the International Migration Review Forum, the world faces a global turning point in how migration systems affect children. The statement described how rapidly changing new laws, enforcement practices, and bilateral arrangements risk exposing children to harm, family separation, and reduced protection, calling on Member States to ensure that migration governance, law enforcement, and child protection are aligned to uphold children's safety, dignity, and futures. Source: https://www.unicef.org/press-releases/migration-systems-and-policies-must-uphold-rights-children-unicef (Access Date: 21.05.2026) - On 04.05.2026, UNICEF issued a statement outlining that more than 12 million children globally are currently suffering from severe wasting, the deadliest form of malnutrition. The statement described how Ready-to-Use Therapeutic Food has spent 30 years transforming public health by allowing children to be treated safely at home, while emphasizing that escalating conflicts, climate shocks, and funding shortages require urgent global action to scale up nutrition treatments and ensure uninterrupted access for every child in need. Source:

(Access Date: 21.05.2026)

- On 11.05.2026, UNICEF issued a statement outlining that economic inequality in the world's wealthiest nations is directly harming children's physical health, mental wellbeing, and academic outcomes. The statement described how stubbornly high-income inequality and child poverty across 44 OECD and high-income countries leave nearly one in five children living in poverty, calling for urgent government action to invest in the education, nutrition, and social safety nets of the most deprived communities to guarantee every child a fair start in life.

Source:

<https://www.unicef.org/press-releases/economic-inequality-harming-childrens-wellbeing-worlds-wealthiest-countries-unicef> (Access Date: 21.05.2026)

- On 12.05.2026, UNICEF issued a statement outlining that children in the West Bank, including East Jerusalem, are facing a severe escalation in violence and a steady dismantling of the conditions they need to survive and grow. The statement described a sustained pattern of gross violations of children's rights, including the demolition of homes and schools, destruction of vital water systems, and restricted access to essential services, calling on Israeli authorities to take immediate action to protect Palestinian children and uphold their rights under international law.

Source:

<https://www.unicef.org/press-releases/demolition-homes-schools-and-childhood> (Access Date: 21.05.2026)

- On 13.05.2026, UNICEF issued a statement outlining that, children in Lebanon continue to bear the brunt of ongoing violence, displacement, and traumatic events. The statement described how at least 59 children were reportedly killed or injured in a single week despite an agreed ceasefire, while an estimated 770,000 children are facing severe psychological distress, calling on all parties to protect children, uphold international humanitarian law, and ensure that the ceasefire holds.

(Access Date: 21.05.2026)

-
- On 18.05.2026, UNICEF issued a statement outlining that children and vulnerable communities in the Democratic Republic of the Congo and Uganda are facing growing risks following confirmed outbreaks of the Ebola virus. The statement described the severe threats to children's wellbeing arising from the less common Bundibugyo strain, calling for immediate, safe, and sustained humanitarian access alongside rapid global funding to scale up protective and response efforts.

<https://www.unicef.org/press-releases/unicef-scaling-efforts-protect-and-support-children-and-families-following-ebola>

(Access Date: 21.05.2026)

- On 23.05.2026, UNICEF issued a statement containing the briefing delivered by Deputy Executive Director Ted Chaiban to the United Nations Security Council, outlining that children in Ukraine continue to bear the devastating brunt of the ongoing war. The statement highlighted severe violations of international law, the continuous killing and injury of over 3,400 children since the 2022 escalation, mass displacements affecting millions, and the catastrophic toll of the conflict on children's mental health and education. It concluded with an urgent appeal to the Council and all parties to protect children, ensure unimpeded humanitarian access, and facilitate political dialogue for lasting peace.

(Access Date: 01.06.2026)

- On 28.05.2026, UNICEF issued a statement outlining that its first international shipment of emergency Ebola response supplies, totaling more than 100 metric tons, arrived in Ituri, northeastern Democratic Republic of the Congo. The statement described the rapid escalation of the Ebola outbreak amidst a fragile humanitarian context marked by conflict and displacement, noting that the lifesaving cargo including personal protective equipment, medicines, and hygiene materials aims to support nearly 100,000 people, including children. It called for flexible and timely funding to sustain the response, protect frontline workers, and contain the virus.

(Access Date: 01.06.2026)

- On 29.05.2026, UNICEF issued a statement outlining that the failure to meet children's basic needs in Gaza is trapping them in an endless cycle of suffering under dire living conditions. The statement described how extreme overcrowding, lack of clean water, raw sewage overflows, and rodent infestations have led to a severe public health crisis, causing widespread skin diseases, respiratory infections, and persistent malnutrition among children. UNICEF called for safe, unfettered access to deliver humanitarian aid, the lifting of restrictions on materials needed to repair water and sanitation systems, and the upholding of international humanitarian law.

<i>Global Alliance of National Human Rights Institutions (GANHRI)</i>	- On 06.05.2026, GANHRI issued a statement outlining that National Human Rights Institutions play an indispensable role in bridging the gap between international commitments and the lived realities of migrants. The statement described how migration must never be treated merely as a political issue or reduced to statistics, highlighting the severe human tragedies witnessed globally and calling for NHRIs to be deeply centered within international monitoring mechanisms to promote accountability, safeguard human dignity, and ensure rights-based approaches to migration governance. Source: https://www.linkedin.com/posts/ganhri_nhris-migration-imrf2026-activity-7460271286997606400-zmFY (Access Date: 21.05.2026)
<i>European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment (CPT)</i>	- On 26.05.2026, the CPT issued a statement outlining that it carried out its tenth periodic visit to the United Kingdom from 11 to 22 May 2026. The statement described the main objective of the visit as examining the treatment and conditions of detention for individuals in men's prisons across England and Wales, alongside patients in forensic psychiatric establishments. The CPT delegation focused heavily on staff treatment, levels of violence, segregation, and the provision of healthcare, including mental health services. It concluded by noting that high-level consultations were held with government ministers and prison service officials, and the

	delegation's preliminary observations were delivered directly to UK authorities. Source: https://www.coe.int/en/web/cpt/-/council-of-europe-anti-torture-committee-cpt-carries-out-a-visit-to-the-united-kingdom-2 (Access Date: 01.06.2026)
<i>United Nations Development Programme (UNDP)</i>	- On 12.05.2026, UNDP issued an event statement outlining that the 13th World Urban Forum (WUF13) will take place in Baku, Azerbaijan, under the theme “Housing the world: Safe and resilient cities and communities.” The statement described how the world faces a critical housing crisis, with nearly 3 billion people lacking decent shelter and the extreme poor increasingly concentrated in urban areas, calling for integrated solutions and policy dialogue to transform housing into an engine for economic equality, climate resilience, and sustainable urban development. Source: https://www.undp.org/events/undp-13th-world-urban-forum (Access Date: 21.05.2026) - On 12.05.2026, UNDP issued a statement outlining that, developing countries are facing a massive annual financing gap of 4.3 trillion dollar to achieve the Sustainable Development Goals. The statement described a new strategic partnership established through a Memorandum of Understanding between UNDP and the Berne Union to enhance the role of export credit agencies and investment insurers in mobilizing private capital toward national development priorities, calling for stronger risk-sharing mechanisms and sustainability standards to drive clean energy, resilient infrastructure, and inclusive growth in emerging markets.

	Source: https://www.undp.org/press-releases/undp-and-berne-union-partner-strengthen-sustainable-trade-and-investment-sdgs (Access Date: 21.05.2026) - On 13.05.2026, UNDP issued a statement outlining that Afghanistan's humanitarian and economic crisis is deepening, leaving three in four Afghans unable to meet their basic needs. The statement described how the situation has been severely compounded by an unprecedented return of 2.9 million migrants in 2025 alone, escalating climate shocks that left 64 percent of the country in drought, shrinking international aid, and ongoing restrictions on women's rights, calling for urgent investments in jobs, local markets, and essential services to offer communities a pathway to recovery. Source: https://www.coe.int/en/web/portal/-/serious-overcrowding-and-increasing-proportions-of-older-and-women-detainees-in-european-prisons (Access Date: 01.06.2026) - On 26.05.2026, on the website of Directorate General it was announced that the Council of Europe has organized a conference in Strasbourg, bringing together senior government representatives, security and judicial authorities, private-sector actors, disengagement practitioners and partner organisations to examine the growing involvement of young people in terrorism and violent extremism and explore practical responses to reverse this trend. Source: https://www.coe.int/en/web/portal/-/conference-addresses-growing-involvement-of-youth-in-terrorism-and-violent-extremism (Access Date: 01.06.2026)
<i>European Network of National Human Rights Institutions (ENNHRI)</i>	- On 28.05.2026, on the ENNHRI LinkedIn account, an announcement was shared stating that the resource on artificial intelligence and human rights has been updated with new good practices from National Human Rights

Australian Human Rights Commission

Institutions (NHRIs) across Europe. The announcement highlighted how NHRIs influence state positions and policy frameworks at national and European levels to protect rights in the digital age, how they intervene in the outcomes of processes such as algorithmic harms, the misuse of biometric data, and automated decision-making, and how they enhance their institutional capacities to deal with the challenges posed by artificial intelligence.
